

IAA SETI Permanent Committee

BREMEN Conference Centre

Room CCB Lilienthal

Wednesday, OCTOBER 3rd, 2018, at 9:30 - 12:30.

Meeting is OPEN to all IAC 2018 Participants interested in SETI.

TENTATIVE AGENDA

- 9:15 Andrew Siemion and his Team prepare the Room for the Video Conference worldwide.
- 9:30 Welcome by the Chair, Claudio Maccone, by the two Co-Vice Chairs, Mike Garrett and Leonid Gurvits, and by the Secretary, Andrew Siemion.
- 9:35 List of Attendees to this Meeting is being circulated: each Attendee has to sign it and write his/hers preferred e-mail address.
- 9:40 Approval of the Minutes of the last “face-to-face” Committee Meeting held in Adelaide, Australia, on September 26, 2017.
- 9:45 Action Items Review: taken from the Minutes that Mike Garrett kindly took in Adelaide. Acronyms: DH=Denise Herzing, DF=Duncan Forgan, JE=John Elliott, AS=Andrew Siemion, LT=Les Tennen, CO=Carol Oliver, NbH=Nelly ben Hayoun, CM=Claudio Maccone, There were 8 Action Items approved in Adelaide, and Mike Garrett will now read and check each of them.
- 10:00 New membership procedures and requests: mainly by Mike Garrett.
- 10:20 Report from the Chair about the most important SETI-related events in the last 12 months:
 - a) Successful Chinese-Dutch space mission “Quequaio” to the Lagrangian point L2 hovering about 60,000 km above the Moon Farside. This spacecraft will both act as a relay satellite ensuring telecommunications between China and Farside Chinese future mission Chang’e 4 and for Cosmology (Dutch instrument).
 - b) COSPAR SETI two half-day Sessions successfully held in Pasadena, July 19-20, 2018.
 - c) NASA returning to take care of SETI after 25 years of no interest: the NASA Technosignatures Workshop just held at the Lunar and Planetary Institute in Houston, September 26-27-28, 2018.
- 10:40 Report by Andrew Siemion about Breakthrough Listen (BL) activities, publications and future plans about the SKA, as well as MeerKAT and other Projects.
- 11:00 Report by Bill Diamond about the SETI Institute recent activities and future Projects.
- 11:10 Prospects towards an ALL-SKY SETI virtual radio telescope workshop (by Mike Garrett).
- 11:20 Progress towards establishing a Post-Detection Sub-Committee of the IAA SETI Permanent Committee (by John Elliott, Kathryn Denning et al).
- 11:40 Progress on SETI Protocols 2.0 (by Les Tennen, Duncan Forgan, Ivan Almar et al.).
- 12:00 Prospects for the possibility of holding a one-day Conference about “Moon Farside Future” in Paris on Wednesday, March 27, 2019, during the coming Paris Spring Meetings, by Claudio.
- 12:05 Prospects for the “SETI and Big History” Conference to be organized by Claudio in the Republic of San Marino (Italy), July 15-18, 2019.
- 12:10 Prospects for SETI activity during the next IAC in Washington D.C., October 21-25, 2019.
- 12:15 Prospects for holding a SETI Conference in Byurakan, Armenia, in 2021. By Leonid Gurvits.
- 12:20 Other business.
- 12:30 Adjournment.

Paris Spring Meetings, March 25th-28th, 2019.
